

INTERNSHIP COMPLETION LETTER

This is to certify that **Aniket Shelke** will be completing **6-month** internship program from **1st Feb 2025 to 1st Aug 2025** in Software Development, which included Java full stack Software Development.

During this period. Intern has worked on various assignments on Software Development and was found diligent, hardworking, and inquisitive. Also, Intern had been part of scrum team responsible for creating Standalone , Semi Client Server and Full Client Server Software using the Java as programming language and AWT swings as GUI Framework and Spring MVC , Spring boot. The projects were managed using agile methodology, and the intern, has acquired valuable insights into how Agile practices are implemented in the IT industry.

We wish him all the best for his upcoming career.

For ROBOWAVES

This Certificate is Computer Generated & no Stamp is Required.
